**City of Pismo Beach
Special Events Vendor
Business Tax Information
And Application**

Every person or company who does business in the City of Pismo Beach is required to purchase an annual business license. This includes vendors who may do business only on selected days. The minimum license tax, which covers sales of up to \$25,000 annually, is \$20. The business license tax is in addition to the business license application fee of \$30.

One license is good for the twelve months beginning October 1st and ending September 30 of each year, and covers all events in which the vendor may participate during that year. If application is made for business to be conducted after April 1 of any year, the prorated tax is \$10, covering events between April 1 and September 30. Special event vendor fees are due for each event.

Each license will carry a statement that the vendor is required, and by accepting the license agrees, to properly report his/her sales within the City of Pismo Beach to the State Board of Equalization.

This application is for use by vendors with no permanent place of business in the City of Pismo Beach.
